Dear Sir or Madam,

Point Pelee Karting is a non-profit go kart racing organization based in Leamington, Ontario.

Our club provides a quality family experience with competitive racing events for male and female racers from 7 to 65 years old. Our main focus is to offer the youths of Southwestern Ontario, a unique venue to develop not only their racing skills but also life skills such as sportsmanship, teamwork and family unity.

We are seeking community support to help with our activities. Sponsorship will give your company local and out of town advertising exposure. We are expecting competitors to attend weekly racing events from all over Southwestern Ontario as well as from the United States, which will directly contribute to our local economy.

Thank you for your time, we look forward to your support.

For more information regarding club activities please phone Corey Collins at (226) 344-1550
