- Jr. Heavy competitors who weigh 170lbs or more (without racing apparel) can race with GX200 engine or Briggs Black Slide. Minimum weight for kart & driver will be 360lbs.
 - Rain tires are open for all classes
 - Provisional classes will only race if 4 or more karts are registered. Provisional classes include; Stock Moto, DD2, Micro Max, Mini Max, Jr. Modified, Sr. Modified.
 - Official classes may be combined if 4 or less karts are registered
 - Vega Blue is the 'official tire' for all two cycle racers competing for the PPKC Club Championship. **Option tires for visitors are: Dunlop SL4, Bridgestone YJC, MOJO**
 - Tires must be used for a minimum of three consecutive race events. Race schedule will indicate which events permit new tire use.
 - All Clone Engines used in Senior 4 cycle classes, must be built in accordance with ASN Honda Regulations.
 - Please review PPKC Supplementary Rules for Class Structure amendments.
-
