Weights. We are aligning our Class Structure with the rest of the Ontario clubs.

Class	Weight
Novice	235 lbs.
Jr. Lite	265 lbs.
Junior	300 lbs.
Sr. Med.	340 lbs.
Briggs Masters	375 lbs.
TAG Sr.	WKA
TAG Master	WKA

Fuel & Tires. It is important to note (especially for new racers), you must buy your fuel at Circle K. Located at 2 Seacliff Drive, Leamington, and your tires at Point Pelee Karting track (Jason Papp). A tire voucher program will be in place shortly. This will provide all buyers with the option to purchase tires

prior to our new tire days as well as offering other incentives. Stay tuned for further details in the very near future.

HELP WANTED: We can always use more volunteers. If you know anyone interested in getting involved with our race days as volunteers there are positions unfilled (Race director, scale monitor, corner workers, etc.) Students can use our Club for their Community Service hours.

COVID 19 has brought us many changes including at the Board level. Everything has to be done electronically, so Earl Lajoie has stepped aside as president and turned the reins over to Corey Collins to bring the Club into the future. Earl isn't planning to go anywhere. He will still be the flagman and continue everything as before. The Board feels Corey's unwavering commitment to the Club makes it an easy choice.
